By car: on the E403 take exit 6. At the end of the exit follow direction Izegem. At the roundabout take the third exit, and follow that road, which takes you back direction of the highway. Keep on following this road until you see a bridge ahead of you. Don't follow the bridge, but follow the road going to the right. Shortly after the turn you will see Skyline on the right hand side.

By high speed train: when you are coming from London, Paris or the Charles de Gaulle airport near Paris it is worth considering the high speed train to Lille in France (Eurostar from London: www.eurostar.com, TGV from Paris: www.tgv.com).

By airplane: When flying, you have the option to arrive at the Brussels International airport in Zaventem, the Brussels South airport in Charleroi, the airport in Lille or the Charles de Gaulle airport near Paris
